ATTACHMENT TO INTERVIEW SUMMARY FORM

Applicant requested that the following points discussed at the interview held on February 11, 2003 be included as an Attachment to the Interview Summary Form.

Applicant's counsel and the Examiners in attendance at the interview agreed to meet again at a future date, either in person or by telephone, to continue discussions regarding the patentability of Applicant's pending patent applications. Specifically, the Examiners expressed concern that the Applicant's experimental evidence be commensurate with the scope of the claims. To address that concern, Applicant's counsel agreed with the Examiners to go through the patent ^{application} ~~claims~~ claim-by-claim with the Examiners and demonstrate how the scientific data supports those claims.

For ~~any~~ ^{those} claims that are supported
by the data, the PTO agrees to issue
those claims. For those claims that
the PTO determines are not supported by
the data, Applicant will continue to
seek that broader claim coverage in
subsequent proceedings.
